Brother David, I feel very please because the Lord has been manifested greatly, we brought 4 souls to Christ and there are many persons that we continue to study the word of God with. We are confidence in that we will have a good number of members but for now, we have 18 members, brother I want to let you know that the little house of adoration is full and with your support we have faith that we are going to build it a little larger. Brother the campaign is coming in the first months of the new year, we are just expecting the call of the brother. I count with your support. Brother God Bless you.
Neftali Ochoa.
